Disjunct Motion

Based on "8th Note Warmdown" by Dustin Schletzer

M. Lemieux

For certain strokes, the desired behavior of the stick after hitting the drum is notated:

- 6 Stroke rebounds at all tempi in range.
- 9 Stroke cushions at all tempi in range.
- At slow enough tempi, stroke will cushion.
 At fast enough tempi, stroke will freely rebound.
 At moderate tempi, stroke will be allowed a slowed rebound.

2-Note Triplet Timing

For further study

All notes are rebounded unless otherwise notated.
